

Frequently Asked Questions

ESG-CV1 Frequently asked Questions

- Corporate Resolution - do you have a sample template of a corporate resolution; typically, we don't issue resolution docs. Will a board authorization letter work? In years past, some county departments have taken authorization letters to meet this requirement. **Yes, a Board authorization letter will work.**
- If approved, will your department provide HMIS orientation training for new grantees; **Yes, all HMIS users will be required to attend a mandated HMIS training hosted by the Office of Homeless Services.**
- The 20% that is allowed for HMIS... can these funds be used to hire a staff person to administer the required data entry activities; **It is up to 10% and Yes.**
- Besides the SAMs registration, the DUNS number; is there a required registration with the County vendor system? I didn't see any instructions about registering with the county... **Yes. If you are not already register in the vendor system, you can register now or wait until selection (if selected). However, the County has a vender process which includes completion of a W-9 etc. that will be commenced upon selection.**
- The RFP stipulates that this funding opportunity is ROUND 1 funding; will there be a ROUND 2 funding to follow this RFP? **Yes, there will be a Round 2 for COVID funding and an additional NOFA that will be released for our ESG allocation that we receive annually.**
- Are these funds restricted to serving “participating cities” and county unincorporated or are county residents eligible? **They are not restricted when the CES process is being used and it is mandated for this funding; thus, all county residence are eligible.**
